

Blue Star Moms of Marin Thanks Our Generous Supporters!

The Blue Star Moms of Marin would like to take this opportunity to thank all the generous donors and volunteers who have made it possible to carry out our mission of "Supporting our troops, our families and our veterans".

Many, many individuals, organizations and companies have contributed their money and their time to supporting our programs over the years. Due to privacy concerns, generally we do not name individuals who have donated but they are many and we are very grateful for their continued support.

INITIAL BENEFACTORS
